## **Clark Logic Grows Service Portfolio with Earth Works Lawn and Landscape Acquisition**

**PORTAGE, MI-** Clark Logic, a leader in industrial services, real estate development, and logistics is proud to announce the acquisition of Earth Works Lawn and Landscape, a well-established landscaping and grounds maintenance company based in Portage, Michigan. The acquisition enhances Clark Logic's ability to provide integrated property management solutions, adding a full suite of professional landscaping, lawn care, and snow removal services to its growing portfolio.

"We are excited to welcome the Earth Works team to the Clark Logic family," said Jamie Clark, owner and president of Clark Logic. "Their strong local reputation, skilled workforce, and commitment to excellence align perfectly with our values. This acquisition allows us to offer even greater value to our industrial and commercial customers."

The Earth Works team will continue operations under the Clark Logic brand, ensuring a seamless transition for existing clients while opening new opportunities for service enhancements and efficiencies.

As Clark Logic continues to invest in regional infrastructure and service diversification, this acquisition reflects its ongoing commitment to innovation, customer service, and community partnership.

Clark Logic, based in Portage, Michigan, is an industrial services company specializing in real estate development, transportation, logistics, warehousing, third-party logistics (3PL), material handling, heavy machinery rigging and moving, cardboard and paper recycling, semi-trailer and container rental and sales, facility cleaning, and automotive dunnage washing.

With over 7 million square feet of industrial real estate, Clark Logic is one of the region's most accomplished and recognized industrial developers and landlords. The purchase of Earth Works follows other recent Clark Logic business acquisitions, including Kandler Tool Company (Kalamazoo, April 2025), Midwest Realty Group (Portage, December 2024) and Lindsey Dedicated Services (Kalamazoo, April 2024).
